## Transfer Students – Just 1 week left

Transfer requests for the 2018-2019 school year should be completed and returned to the office **no later** than May 15. **Requests must be filled out and approved every year for students who do not live in the Stalker Elementary attendance area.** Failure to turn in a transfer request will necessitate the student starting 2018-2019 school year at his or her home school. These requests can be turned into the office or the Administration Building.

Please be aware if a transfer is approved, it is the parent's responsibility to transport the student to the school on time. Transfers can also be rescinded or denied if problems arise pertaining to enrollment, attendance, and/or discipline.

## Teacher & Staff Appreciation Week

The week of May 7-11 is National Teacher/Staff Appreciation Week. You can thank a teacher that you are able to read this newsletter today. We have all had some great teacher or teachers who have touched our lives. I still remember Mrs. Lindstrom who was my first grade teacher. She helped lead me in my own career path. Who do you remember?

This next week would be a great time to drop that teacher a note of thanks for all he/she has done for your child.

## Who Needs to Fill out a Transfer Request??

If your child does not live inside the Stalker district, you will need to fill out a Transfer Request. If you live inside Stalker District, this means you have access to one of our buses. Please remember requests must be completed by May 15<sup>th</sup>.
